

PWS GLOBAL RISKS PTE LTD

(formerly known as Pacific Insurance Brokers)

It is with great pleasure that we can announce that following the acquisition of Pacific Insurance Brokers in September 2020 we are now in a position to rebrand the Company as PWS GLOBAL RISKS PTE LTD, based in Singapore.

Collin Chiew has been appointed as our Chief Executive Officer and will also undertake a Regional role for future expansion of our Direct operations.

We are in the process of building our Team across several lines of business and look forward to being able to support our Clients and Partners to provide the best solutions, coupled with the highest levels of professional and personalised services available.

We are delighted to also advise that PWS GLOBAL RISKS PTE LTD will be a Composite Re/Insurance Broker and therefore we will be expanding our presence in various fields of reinsurance activities too, both Facultative and Treaty.

Our firm and committed intentions are to build Singapore as the hub of our International operations.
